

O HOLY GHOST INFLAME OUR HEARTS

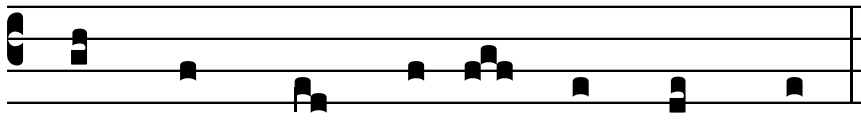

O

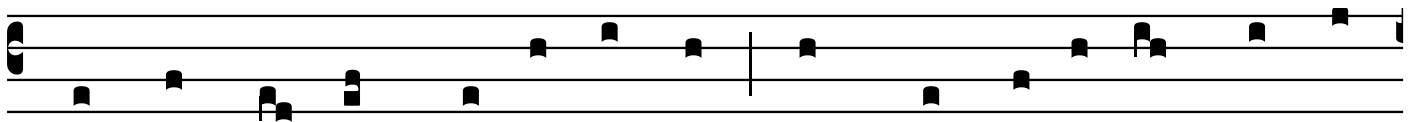

Holy Ghost inflame our hearts, set them a-fire

with love divine. Pour forth a-new thine unction sweet,

and make these lowly dwellings thine.

2. O Light of God's unending day, shine truth in-to the clouded

mind. Disperse the darkest night of sin, give sight un-to us wand'-

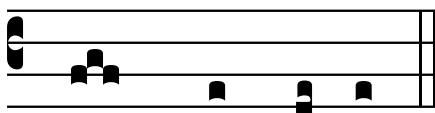

ring blind.

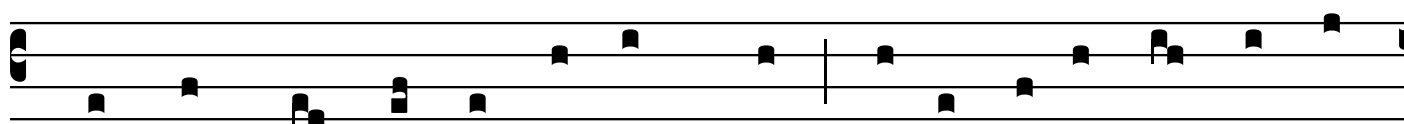

3. O Wind that blew upon the deep, breath of God's own cre-a-

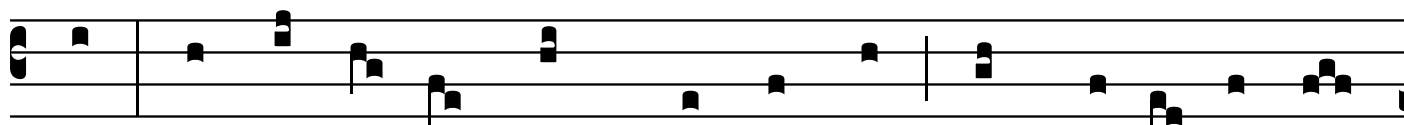

tive love, blow down, remake us all anew, bind us to Christ

who reigns above.

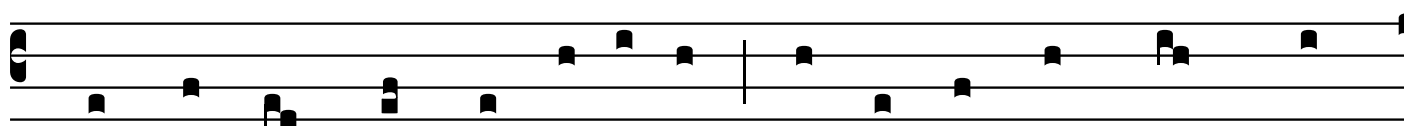

4. O Dove who on the Jordan's bank, rested upon the Saviour's

brow, rest too, u- pon God's children here, heal, sancti- fy, and

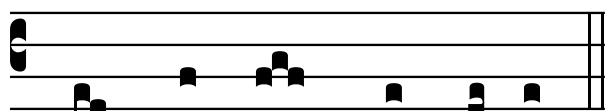

cleanse us now.

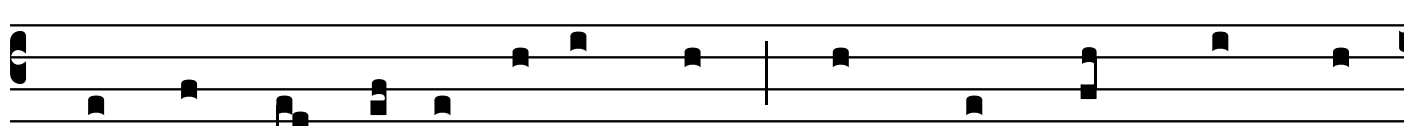

5. O Rushing Wind of Pentecost, O Fire of Love from Christ's

own side, burn still, and set Christ's Church aflame, that we

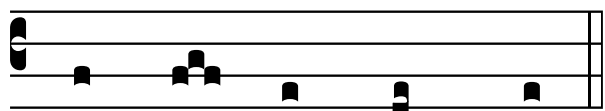

might in true peace abide.

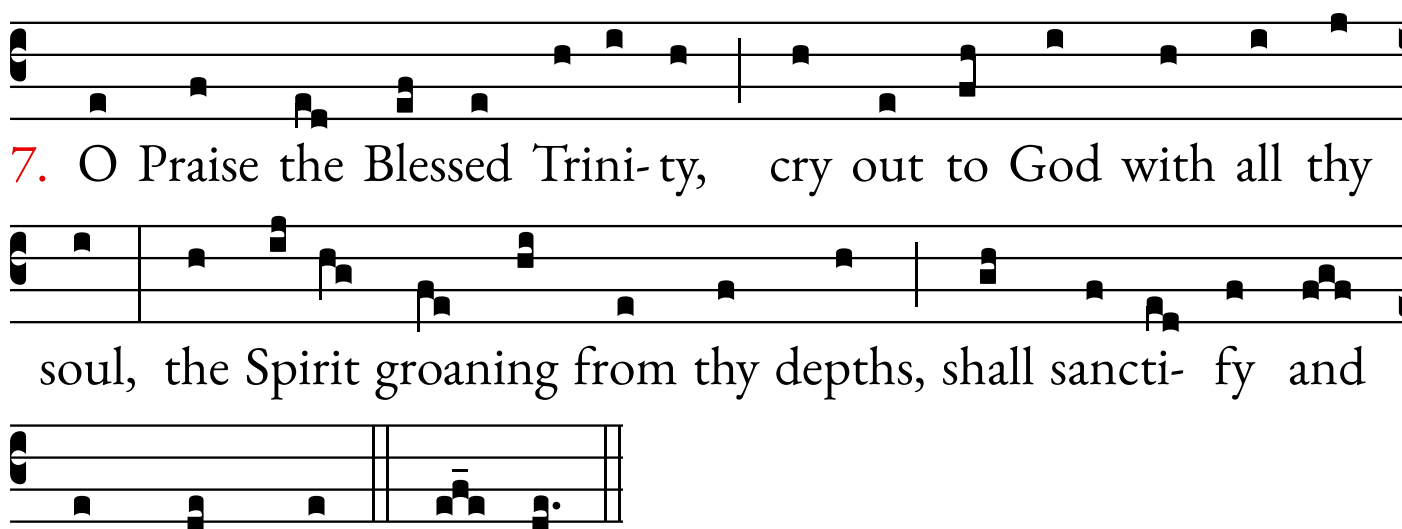

6. O make us in-to living stones, from which the Church of

God is made, laid down, u- pon the Word of Christ, the corner-

stone on whom we're laid.

7. O Praise the Blessed Trini-ty, cry out to God with all thy
soul, the Spirit groaning from thy depths, shall sancti- fy and
make thee whole! A- men.
